MISSION STATEMENT

The mission of the Benson Police Department is to provide excellence in policing by protecting, serving, and partnering with our community to improve it's quality of life.

CORE VALUES

The staff of the Besnon Police Department adopted four Core Values that they felt were important in their daily work.

Respect, Integrity, Courage and Commitment

VISION

The vision of the Benson Police Department is to work continuously with members of our community to make this the safest community possible. Furthermore, we are committed to making this community a place where youth can grow up in an environment in which they can develop into outstanding members of society.

We demonstrate this vision and commit ourselves to:

-Keeping an open mind and being receptive to the members of our community, and fostering long-lasting relationships in the process.

-Aggressive narcotics enforcement that will promote a safe environment for both adults and youth alike

-Keeping an open mind in our problem solving efforts and always looking for innovative and new technologies to further those efforts

-Hiring the best employees possible, training them to the highest standards, hold them to the

highest standards, and always upholding our civic and constitutional responsibilities
